The Muscular Dystrophy Association would like to extend a heart-felt "thank you" to the Midtown community business leaders who took time out of their busy schedules to be "jailbirds" at the 2011 Midtown Executive Lock-Up. Together, the Midtown community raised **over \$46,000** for the local families served by MDA.

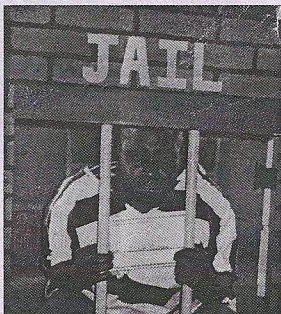

"Jailbirds" were escorted by "guards" provided by **Atlanta Police Department and Atlanta Fire Rescue**. Once the "jailbirds" arrived at our jail, they dressed in prison stripes to have their mug shot taken and feasted on "bread and water" catered by **Jersey Mike's Subs**.

During their prison sentence, "jailbirds" were entertained with music provided by **BA Music**, and enjoyed hourly raffles with prizes. After serving their sentence, "jailbirds" were escorted back to their place of business with MDA's sincere thanks and appreciation for making the lock-up such a success!

#### Midtown MDA Heroes:

*Thank you so much for being a hero for MDA this year! I wanted to personally apologize for the difficult transportation issues the day of our event at Park Tavern. I realize many of you had to drive yourselves and were left waiting for hours to be "arrested". We live in a great city but with that comes unforeseen circumstances on our busy streets which caused us many difficulties and heavy delays. Please know we appreciated every effort each of you made to be a part of our Midtown MDA event and our deepest apologies for any inconvenience you experienced. YOU ARE A TRUE MDA HERO!!*

*Thanks,
